C. Overseas Music Tour Program

The music department organizes music tours for students who show outstanding capability of playing their major musical instrument each year. For example, the department will arrange 9 string players to attend master classes of the prestigious Liszt Academy for Music, Budapest (Hungary). They will spend a weekend studying under the tutelage of different professors, who have taught generations of internationally renowned musicians for decades.

One awardee of Pre-S1 will be selected and invited to join the Overseas Music Tour Program (6-day) for once in order to experience not only the Wah Yan Music Tour, which is unique among local secondary schools, but also the opportunity of further excelling in instrumental virtuosity. 50% of the tour cost or maximum \$10,000 (whichever lower) will be sponsored by the School. The Pre-S1 student should guarantee his willingness to study at our school and contribution to the orchestral groups throughout his S1-S5 studies. Otherwise, the sponsored amount should be recovered by the student.
