

Heritage Development Project

One hundred years that encompass a remarkable history of foresight; idealism; trials and tribulations; doubts and incredible success... and most importantly, created impacts on the lives of thousands of Wahyanites, influenced and nurtured them by Jesuit Education, with care and passion. We call this the Wah Yan Spirit!

The Centenary Celebration is a perfect opportunity to pass on the Spirit of Wah Yan! To deepen the sense of love and belonging, we are inviting undaunted teachers and staff, devoted alumni and dedicated parents, students and friends to share their Wah Yan stories and contribute to a collective memory that would best support the students and the school to journey into the next Centenary.

Under the leadership of Professor KWOK Siu Tong Edmund (Class of 1965), students working in groups will conduct interviews with participants and gather all records to a platform which allows the community to access. It is through conversation and sharing that the “twists and turns of life”, “moment-to-moment decisions that changed life” and emotions that have left indelible imprints on the lives of the people in the Wah Yan Community are unveiled and comprehended.

For the Heritage Development Project, we are calling for stories from undaunted teachers and staff, devoted alumni and dedicated parents, students and friends of WYK across generations!

The first phase was scheduled for 14 October and 11 November 2023.

The second phase was scheduled for 12 & 13 April 2024.

The third phase is scheduled for 5 July 2024, which is the last round in this school year.
